FROM: *D. Leib* DUANE P. LEIB, GENERAL SERVICES DIRECTOR

SUBJECT: REQUEST TO APPROVE A CONTRACT FOR SERVICES BETWEEN THE COUNTY OF SAN LUIS OBISPO AND COMERFORD INC., A CALIFORNIA CORPORATION DOING BUSINESS AS FAIRWAY MANAGEMENT, FOR THE OPERATION OF THE PRO SHOP, RESTAURANT, BAR AND BANQUET FACILITIES AT MORRO BAY STATE PARK GOLF COURSE

RECOMMENDATION

The Department of General Services recommends your Board approve the contract and instruct the chairperson to sign the document.

DISCUSSION

The County of San Luis Obispo is the current Operator of the Morro Bay State Park Golf Course and has operated the golf course since 1970. The current 20-year Operating Agreement ("Agreement") between the County and the State commenced January 23, 2000 and will terminate August 31, 2019. The Agreement grants the County the rights to develop, equip, operate, control and maintain the existing 18-hole golf course and clubhouse. The terms and conditions of the Agreement allow the County to offer services to the public through a concessionaire provided specific resource codes are followed.

In accordance with Public Resources code section 5080.30, in 2000 the Department of General Services issued a Request for Proposal ("RFP") to solicit Concessionaire services for the operation of the Pro Shop at the Morro Bay State Park Golf Course. Through the RFP process, Comerford Inc., a California corporation, doing business as Fairway Management, was recommended by the selection committee as the "Best Responsible Proposer." On January 9, 2001, your Board approved a contract with Comerford Inc., for a period of five years, with the ability to extend the term for an additional 5-year period, to provide Pro Shop Concession services at the Morro Bay State Park Golf Course.

At that time the Food and Beverage services were being offered under a separate contract with Black Hills Golf Corporation. The contract was terminated prior to the contract expiration

date, and on May 13, 2002, the County of San Luis Obispo, with approval from the State, entered into a month-to-month Use Permit with Fairway Management, for Food and Beverage services at Morro Bay State Park Golf Course.

The attached contract is combined and is for the Morro Bay State Park Golf Course. The contract services include the right to maintain and operate both pro shop and food and beverage services. The term of the contract is for a period of 5 years, which is the remaining option, and will expire on January 31, 2011. As provided in the contract, in the event the State approves an additional 5-year term, this contract will terminate on January 31, 2016. Otherwise, the County may issue a Request For Proposal to solicit proposals for the provision of these services.

Fairway Management has continued to provide solid and reputable golf services for the residents of our county. As well, Fairway Management is recognized statewide and nationally as an excellent provider of professional golf opportunities. The food and beverage services provided by Fairway Management at the clubhouse continue to adequately serve the golf patrons, and the banquet facilities are becoming well known in the community.

Therefore the Department of General Services recommends your Board approve the Contract with Comerford Inc. for continued services at the Pro Shop, Restaurant, Bar and Banquet facilities at Morro Bay State Park Golf Course.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel has approved the Contract as to form and legal effect.

FINANCIAL CONSIDERATIONS

The Contractor will collect for the County all greens fees, all revenue from sales of golf discount cards, and all golf course development surcharge fees. In addition, the County will receive 23% of the monthly Golf Cart Revenue, which is increased from the prior contract requirement of 18%. The Contractor will retain 100% of the revenue for the Driving Range, Pro Shop, and Food and Beverage Services. This Contract has been re-structured to equal, if not exceed, past revenue from the separate contracts at the Morro Bay State Park Golf Course.

RESULTS

Approval of the Contract will continue to authorize Comerford Inc. to provide both Pro Shop and Food and Beverage services at Morro Bay State Park Golf Course, a recreational facility, leased by the County from the State of California.

21. **Closure:** At any time, should an occurrence such as war, armed conflict, public emergency, public nuisance, calamity, fire, earthquake, flood, act of God, strike, or similar act or other event which

necessitates the closing of the Morro Bay State Park Golf Course, or a portion thereof, to the general public, and prevent performance of this Contract in accordance with the rights and privileges granted herein, Contractor shall have no recourse by law or equity to County for losses incurred.

22. **Hold Harmless Agreement:** The Contractor shall indemnify and save harmless the County, its officers, agents and employees from any and all claims, demands, damages, costs, expenses, or liability arising out of this Contract or attempted performance of the provisions hereof, including, but not limited to, those predicated upon theories of violation of statute, ordinance, or regulation, professional malpractice, negligence, or recklessness including negligent or reckless operation of motor vehicles or other equipment, furnishing of defective or dangerous products or completed operations, Premises liability, liability arising from trespass or inverse condemnation, violation of civil rights and also including any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board with respect to Contractor's "independent Contractor" or "Contractor" status that would establish a liability for failure to make social security and income tax withholding payments, or any act or omission to act, whether or not it be willful, intentional or actively or passively negligent on the part of Contractor or his agents, employees or other independent Contractors in the chain of contractual privity with Contractor; providing further that the foregoing shall apply to any wrongful acts or any actively or passively negligent acts or omissions to act, committed jointly or concurrently by Contractor or Contractor's agents, employees or other independent Contractors and the County or State, its agents, employees or independent Contractors. Nothing contained in the foregoing indemnity provision shall be construed to require indemnification for claims, demands, damages, costs, expenses or judgments resulting solely from the negligence or willful misconduct of the County.

23. **Insurance:** Contractor shall obtain and maintain for the entire term of the Contract and Contractor shall not perform any work under this Contract until after he has obtained insurance complying with the provisions of this paragraph, delivered a certified copy of each insurance policy to the County, and obtained County approval of all such policies. Companies authorized to do business in the State of California shall issue said policies. Contractor shall maintain said insurance in force at all times. The following coverage with the following features shall be provided:

A. **Commercial Liability Insurance:** Contractor shall maintain in full force and effect for the period covered by this Contract, commercial liability insurance. This insurance shall include, but

shall not be limited to, comprehensive general and automobile liability insurance providing protection against claims arising from bodily and personal injury, including death resulting there from, and damage to property resulting from any act or occurrence arising out of Contractor's operations in the performance of this Contract, including, without limitation, acts involving vehicles. The policy shall provide not less than single limit coverage applying to bodily and personal injury, including death resulting there from, and property damage in the total amount of One Million Dollars (\$1,000,000). The following endorsements must be attached to the policy:

- (1) If the insurance policy covers on an "accident" basis, it must be changed to "occurrence".
- (2) The policy must cover personal injury as well as bodily injury.
- (3) Blanket contractual liability must be afforded and the policy must contain a cross liability or severability of interest endorsement.

B. Workers' Compensation Insurance: In accordance with the provisions of sections 3700 et seq., of the California Labor Code, if Contractor has any employees, Contractor is required to be insured against liability for workers' compensation or to undertake self-insurance. Contractor agrees to comply with such provisions before commencing the performance of this Contract.

C. Additional Insureds to be Covered: The commercial general liability policies shall name the "County of San Luis Obispo, its officers, employees, and agents" as additional insureds. The policy shall provide that the Contractor's insurance will operate as primary insurance and that no other insurance maintained by the County, or additional insureds will be called upon to contribute to a loss hereunder.

D. Certification of Coverage: Prior to commencing work under this contract, Contractor shall furnish County with the following for each insurance policy required by this Contract:

(1) A copy of the Certificate of Insurance shall be provided. The certificate of insurance must include a certification that the policy will not be canceled or reduced in coverage or changed in any other material aspect without thirty- (30) days prior written notice to the County.

(2) A copy of the Contractor's Workers' Compensation policy need not be provided, but a copy of proof of coverage does need to be provided.

(3) Upon further written request, the Contractor shall provide a copy of the entire insurance policy and not just the "face sheet" or proof of coverage.

(4) Approval of Insurance by County shall not relieve or decrease the extent to which the Contractor may be held responsible for payment of damages resulting from Contractor's services or operations pursuant to this Contract. Further, County's act of acceptance of an insurance policy does not waive or relieve Contractor's obligations to provide the insurance coverage required by the specific written provisions of this Contract.

E. **Effect of Failure or Refusal:** If Contractor fails or refuses to procure or maintain the insurance required by this contract, or fails or refuses to furnish County with the certifications required by *Subparagraph D* above, County shall have the right, at it's option, to forthwith terminate the Contract for cause.

24. **Performance Bond Requirements:** The Contractor agrees to furnish a faithful performance bond in the sum of **\$20,000** (or a cashier's check, or a bank letter of credit, or certificate of deposit in name of County with interest payable to Contractor, in lieu thereof), it being understood and agreed that such bond shall be in force at all times during the term of this Contract; and, if canceled, the Contractor shall immediately seek and obtain a similar replacement bond or this Contract shall be terminated effective immediately. This security shall guarantee faithful performance of this Contract including all Contractor's obligations and responsibilities under this Contract. Said bond shall be kept by Contractor in full force and effect during the entire term of this Contract to insure faithful performance by Contractor of all the covenants, terms and conditions of this Contract, inclusive of, but not restricted to, the payment of all rentals, fees and charges. The surety company issuing said bond or bonds shall give County notice in writing at least thirty- (30) days prior to any expiration of the bond or bonds of Contractor.

25. **Taxes:** During the term of this Contract, Contractor hereby agrees to pay, prior to delinquency, all taxes and assessments, including both general and special, levied or assessed against the Premises and in connection with the Premises and Contractor's operation thereof, including without limitation, taxes on Contractor's possessory interest hereunder or in the Premises, and taxes or assessments on all structures, improvements, and fixtures now or hereinafter existing on the Premises, and on any personal property situated in, on, or about the Premises, or in, on or about any structures or improvements thereon. **Contractor is hereby informed that a possessory interest subject to property taxation shall be**

created by this agreement and that the party to whom the possessory interest is vested (Contractor) shall be subject to the payment of property taxes levied on such interest and must pay such taxes prior to delinquency.

26. **Contractor's Responsibility for Compliance:** Contractor shall at all times observe and comply with, and shall cause all his agents, employees and sub-contractors to observe and comply with all present and future laws, statutes, ordinances, regulations, rules, resolutions, or other binding enactments of any governmental authority, now or at any time during this Contract and any extensions thereof. If any future laws, rules, regulations or ordinances are passed by the County and said legislative enactment has any impact fiscal or otherwise on Contractor, and if Contractor does not make a timely objection to County during the course of legislative process, Contractor will be deemed to have waived any right to object at a later time and waives all damages flowing there from.

27. **Notices:** Any notice required to be given pursuant to the terms and provisions hereof shall be in writing and shall be sent by U.S. Postal Service, first class, or certified, or registered mail as follows:

covenants herein contained and Contractor shall continue in such default or breach; or should any attachment, garnishment or execution be levied against the Contractor or County's property and not be removed within ten days after written notice from County; or if Contractor shall cease its operations under this Contract for causes other than destruction of the Premises, either with or without legal process, on giving 10 days notice of intention to do so, and upon expiration of said notice, County, or its officers, agents or employees, shall be entitled to the immediate possession of the contract Premises and this Contract shall terminate effective immediately and Contractor shall have thirty (30) days to remove personal property.

29. Assignment of Contract: Inasmuch as this Contract is intended to secure the specialized services of the Contractor, Contractor shall not assign, transfer, delegate, or sublet this Contract or any interest therein without the prior written consent of County, and any such assignment, transfer, delegation, or sublet without the County's written approval shall be considered null and void.

Any proposed assignee shall have at least three (3) years of experience in the management and/or operation of a pro shop and food and beverage operation substantially the same as the business operated by the Contractor in the Premises.

In lieu of such actual experience, the proposed assignee shall provide satisfactory evidence to the County that the proposed assignee will hire as employees or independent Contractors personnel competent to inventory, merchandise, market and operate the pro shop, restaurant, bar, and banquet facility duties and business being conducted on the Premises.

County may at its option sell, assign, transfer to or delegate the Premises and/or Morro Bay State Park Golf Course to another governmental agency provided that such sale, assignment transfer or delegation shall not terminate this Contract.

30. 31. Duration of Public Facilities: By entering into this Contract, the County makes no stipulation as to the type, size, location and duration of public facilities to be maintained at the golf course.

32. **Eminent Domain:** If the whole of the Premises shall be taken or condemned by any competent authority under power of eminent domain for a public or a quasipublic use or purpose, then the services Contract hereby created shall cease and terminate as of the date actual physical possession of the Premises is taken by the condemnor. All compensation and damages awarded for such total taking shall belong to and be the sole property of County, provided, however, that Contractor shall be entitled to receive any award for the taking of or damage to Contractor's equipment, fixtures, or any improvements made by Contractor to the Premises which the Contractor would have had, but for the condemnation, the right to remove on expiration or sooner termination of this Contract.

In the event that there shall be partial taking of the Premises during the Contract term under the power of eminent domain, this Contract shall terminate as to the portion of the Premises so taken on the date when actual physical possession of said portion is taken by the condemnor, but this Contract shall at County's option, continue in full force and effect. The compensation and damages for such partial taking shall belong to and be sole property of County, provided, however, that Contractor shall be entitled to receive any award made by Contractor to the Premises which Contractor would have had, but for the condemnation, the right to remove on expiration or sooner termination of this Contract, and, in the event that this Contract is continued as to the portion of the Premises not condemned, any award made for alterations, modifications or repairs which may be reasonably required in order to place the remaining portion of the Premises not taken in a suitable condition shall belong to County.
